

PURPLE OF ROMAGNA ARTICHOKE

CYNARA SCOLYMUS 'PURPLE OF ROMAGNA'

DO WE LOVE PURPLE ARTICHOKE? WE DO! FUN COLORED VEGGIES ARE FUN TO GROW, FOR CHILDREN AND ADULTS ALIKE! THESE ROUNDED CHOKES ARE TASTY AND TENDER AS WELL AS BEAUTIFUL! THE PRETTY PLUM COLORED FLOWER BUDS (THE ARTICHOKE) ARE AS LOVELY IN CUT ARRANGEMENTS AS THEY ARE ON THE TABLE. GROW IN WELL-DRAINING SOIL AND, SINCE ARTICHOKE AREN'T LOVERS OF HOT SUMMER CLIMATES, GROW THEM WHERE THEY WILL GET A

BIT OF AFTERNOON SHADE IN CLIMATES THAT ENDURE HIGH SUMMER TEMPERATURES. THIS HEIRLOOM ITALIAN VARIETY IS A FAVORITE IN THE NORTH OF ITALY WHERE IT TOLERATES THE COLDER WINTERS THERE.

SUN TO LIGHT SHADE

ZONES 7-9
